

The background of the slide is a close-up, slightly blurred photograph of a traditional wooden abacus. The abacus has multiple rows of dark, rounded beads. A wooden pencil with a sharpened lead tip is resting diagonally across the middle of the abacus. The lighting is soft, highlighting the textures of the wood and the beads. On the right side of the image, there is a vertical white bar. At the top of this bar is a short white horizontal line, and at the bottom is a white plus sign.
